Logo Architecture

NOVAHAUS

The C2 mark merges N and H through a shared axis, diagonal structure and controlled negative space. It is designed to read as a single institutional symbol rather than two separate initials.

Approved lockups

Master / Vertical / Horizontal / Reversed / Mark-only / Favicon

Clear Space & Scale

Clear space

Keep a minimum clear space equal to the width of the central stem on all sides.

Minimum sizes

Mark-only: 16 px digital / 8 mm print

Horizontal lockup: 120 px digital / 28 mm print

Never compress, rotate, outline or add effects to the mark.

Color & Typography

Application rule

Use the flat master mark for production. Reserve metallic treatment for controlled presentation surfaces.
